The Weight of a Moment Sep 29 2019 ***** HONORED as one of the "Best Indie Books of 2019" by Shelf Unbound Magazine. ***** The Weight of a Moment is a beautiful story about the fragility of life and the redemptive power of friendship. Nick Sterling, a Fenwick Prize winning journalist, can't move beyond a tragedy caused by one of his articles. Tom Corbett, a successful antiques dealer, is humiliated and shamed by an internet video that damages his business, marriage, and family. After their blunders, one shameful and one fatal, the two men run from their pasts, meet in a small Pennsylvania town, and, despite--or because of--the most unusual circumstances, help each other find redemption. Together, they make an unusual discovery that changes everything, one that unwittingly puts them back onto the national stage. Joined by fate, each man's journey is remarkable in its own right and only exceeded by their shared journey. In a profound final scene, Nick confronts his tragic mistake, asks for forgiveness, and the novel's title, The Weight of a Moment, is fully realized. Contrasting elements: big cities and small towns, modern and historic, priceless and valuable, compassion and condemnation, add to the richness of the tale. Critically acclaimed, this second novel from the author of Skyscraper of a Man is a brilliant sophomore effort.

Too Famous Oct 11 2020 If you can judge a book by its enemies, *Too Famous* could be an instant classic. Bestselling author of *Fire and Fury* and chronicler of the Trump White House Michael Wolff dissects more of the major monsters, media whores, and vainglorious figures of our time. His scalpel opens their lives, careers, and always equivocal endgames with the same vividness and wit he brought to his disemboweling of the former president. These brilliant and biting profiles form a mesmerizing portrait of the hubris, overreach, and nearly inevitable self-destruction of some of the most famous faces from the Clinton era through the Trump years. When the mighty fall, they do it with drama and with a dust cloud of gossip. This collection pulls from new and unpublished work—recent reporting about Tucker Carlson, Jared Kushner, Harvey Weinstein, Ronan Farrow, and Jeffrey Epstein—and twenty years of coverage of the most notable egomaniacs of the time—among them, Hillary Clinton, Michael Bloomberg, Andrew Cuomo, Rudy Giuliani, Arianna Huffington, Roger Ailes, Boris Johnson, and Rupert Murdoch—creating a lasting statement on the corrosive influence of fame. Ultimately, this is an examination of how the quest for fame, notoriety, and power became the driving force of culture and politics, the drug that alters all public personalities. And how their need, their desperation, and their ruthlessness became the toxic grease that keeps the world spinning. You know the people here by name and reputation, but it's guaranteed that after this book you will never see them the same way again or fail to recognize the scorched earth the famous leave behind them.

The Harry Bosch Novels Apr 16 2021 For the first time in one volume, the three novels that introduced Michael Connelly's great LAPD homicide detective, maverick Hieronymous (Harry) Bosch. *The Black Echo* (Winner of the Edgar Award for Best First Novel) For Harry Bosch—hero, loner, nighthawk—the body stuffed in a drainpipe off Mulholland Drive isn't just another statistic. This one is personal. Billy Meadows was a fellow Vietnam "tunnel rat," fighting the VC and the fear they used to call the Black Echo. Harry let Meadows down once. He won't do it again. *The Black Ice* The corpse in the hotel room seems to be that of a missing LAPD narcotics officer. Rumors abound that the cop had crossed over—selling a new drug called Black Ice. Now Harry's making some dangerous connections, leading from the cop to a string of bloody murders, and from Hollywood Boulevard's drug bazaar to Mexico's dusty back alleys. In this lethal game, Harry is likely to be the next victim. *The Concrete Blonde* When Harry Bosch shot and killed Norman Church, the police were convinced it marked the end of the hunt for the Dollmaker—L.A.'s most bizarre serial killer. True Story Oct 30 2019 The improbable but true story of a man accused of murdering his entire family and the journalist he impersonated while on the run In 2001, Mike Finkel was on top of the world: young, talented, and recently promoted to a plum job at the New York Times Magazine. Then he made an irremediable slip: Under extraordinary pressure to keep producing blockbuster stories, he fabricated parts of an article. Caught and excommunicated from the Times, he retreated to his home in Montana, swearing off any contact with the media. When the phone rang, though, he couldn't resist. At the other end was a reporter from the San Francisco Chronicle, whom Finkel congratulated on being the first in what was sure to be a long and bloodthirsty line of media watchdogs. The reporter was puzzled. In Waldport, Oregon, Christian Longo had killed his young wife and three children and dumped their bodies into the bay. With a stolen credit card, he fled south, making his way to Cancun, where he lived for several weeks under an assumed identity: Michael Finkel, journalist for the New York Times. *True Story* is the tale of a bizarre and convoluted collision between fact and fiction, and a meditation on the slippery nature of truth. When Finkel contacts Longo in jail, the two men begin a close and complex relationship. Over the course of a year, they exchange long letters and weekly phone calls, playing out a cat-and-mouse game in which it's never quite clear if the pursuer is Finkel or Longo—or both. Finkel's dogged pursuit of the true story pays off only at the end, in the gripping trial scenes in which Longo, after a lifetime of deception, finally tells the whole truth. Or so he says.
