Review Guide for RN Pre-Entrance Exam Oct 19 2021 One CD-ROM disc in pocket.

Gerontological Nurse Certification Review, Third Edition Aug 24 2019 Note to Readers: Publisher does not guarantee

quality or access to any included digital components if book is purchased through a third-party seller. Praise for the second edition: "In this book, the tools and clear presentation of information related to the actual testing process provide the learner with a framework for confidence as he or she prepares for the exam. More important, however, is the elaborate presentation of the certification content and the attention to the important physical and psychosocial elements of the human aging process." -Geraldine Bednash, PhD, RN, FAAN Executive Director American Association of Colleges of Nursing This unrivalled resource contains all of the information every RN needs to successfully prepare for the Gerontological Nurse Certification Exam (GNCE). It provides a thorough review of key content that reflects the exam blueprint, proven test-taking strategies, and over 500 examination-style Q&As with in-depth rationales. The third edition is completely updated to reflect the most current clinical information. It includes new and expanded information on standardized patients and assessments, safety and security issues, hospice and palliative care, updated drug data, and test-taking and exam preparation tips. With everything you need to pass the GNCE in one place, this resource promotes success through clear and concise content summaries and bulleted information, abundant tables and charts that reinforce knowledge, and more Q&As than any other GNCE resource. With the increasing elder population, the GNCE certification is essential to the availability of a nursing workforce educated in assessing and meeting the needs of older adults. New to the Third Edition: New and updated information in every chapter! Demographics; population trends; and safety, security, and ethical issues Developmental stages including Maslow, Erickson and Kubler Ross New standardized patient assessments Physical, psychological, and spiritual principles of end-of-life care Major acute and chronic illnesses by body system All new drug information Time-tested exam strategies for success Critical thinking strategies and helpful memorization aids

PgMP® Exam Practice Test and Study Guide, Third Edition Nov 07 2020 Are you prepared to pass the Program Management Professional (PgMP®) exam the first time around? With the help of the PgMP® Exam Practice Test and Study Guide, Third Edition, you can be! Based on recent revisions to PMI®'s examination content outline, which serves as the basis for the exam along with PMI®'s Standard for Program Management (2008), this book is the most comprehensive and up-to-date resource available to help you prepare for the exam. Updated with new and changed terminology, this edition incorporates the concepts from the five performance domains. It has also refashioned the questions from some being definition-based to all being scenario-based. The book features practical study hints, a list of major topics covered on the exam, and a bibliographic reference for further study. The two challenging, 170-question practice tests included in the book and on the book's Web site simulate the PMI® exam and will allow you to retake the practice tests as many times as you would like. Supplying an insider's look at the questions, phrases, terminology, and sentence construction you will encounter on the actual exam, this indispensable study tool was created to help you pass the exam and become PgMP® certified. Watch co-author Ginger Levin discuss how the PgMP® Exam Practice Test and Study Guide, Third Edition can help you pass the PgMP® exam, the first time around. http://www.youtube.com/watch?v=ONJCKM1hKAg&feature=youtu.be

Law School Exams Jan 28 2020 Well written and highly accessible, this concise paperback guides law students, step-by-step, through procedures that will help them take exams successfully: - the author's style is accessible and reassuring; recognizing that law students operate under severe time constraints, he makes his points clearly and concisely - starting with creative examples and illustrations in familiar, nonlegal contexts, the author introduces students to new concepts by analogy and then advances to more complex legal examples - exercises and practice exams, with a focus on essay questions and model answers, help students identify their strengths and weaknesses, plan strategies, and organize their efforts - the author addresses techniques for maximizing scores on several types of essay questions, as well as on multiple-choice and other objective questions - the author helps students understand why the typical law school essay question requires a balanced analysis with arguments for both sides, rather than identification of a clear answer - assignments and exercises facilitate active learning In addition to teaching students analysis and exam-taking skills, Law School Exams, Preparing and Writing to Win, addresses exam anxiety with a helpful, positive perspective. The author: - helps students understand that a small degree of anxiety can serve as a productive motivator - helps students learn how to reduce anxiety to a productive level by placing exams into proper perspective, by preparing thoroughly, and by adopting stress-management techniques, such as stretching, meditation, or motivational music
