[Calligraphic Drawing](#) Mar 03 2020 [Calligraphic Drawing](#), written and illustrated by artist Schin Loong, is a step-by-step guide to the pictorial side of calligraphy. Learn how to make calligraphic flourishes, then apply the technique to draw 15 different flourished animals. You'll also find instructions for embellishing letters and drawing ornamental cartouches. In the past, masters of penmanship advertised their copperplate skills by shaping their calligraphy and flourishes into elaborate pictorial designs. Now the art of the flourish is back! With her fresh approach to this age-old art form, Schin will take you confidently through each step, from choosing your pen, nib, and ink, to creating calligraphic animals that express your own imagination and artistry. The basic steps for the strokes are simple, but as you learn each new pattern and stroke, you'll watch your drawings develop into ever more complex and beautiful compositions. By following the step-by-step instructions, you can create stunning drawings of a pigeon, swan, crane, rooster, jellyfish, goldfish, peacock, parrot, owl, raccoon, elephant, puppy, rabbit, fox, and zebra. Each exercise includes a photo of the animal, followed by an illustration and written guidance for each numbered step. You'll find helpful tips and encouragement throughout. At the back, a gallery showcase provides examples of Schin's own artwork to inspire you in your own flourishing pursuits. Whether you're a designer, calligrapher, doodler, or just picked up a pen, this guide to drawing with flourishes will enlighten and inspire.

*Modern Calligraphy* Jun 25 2019 A perfect gift for anyone who wants to learn the "write" way to craft calligraphy. Calligraphy is about creating something uniquely beautiful, whether to celebrate a special occasion like marriage or to use every day in the form of stationery. Author Molly Suber Thorpe, an award-winning wedding invitation designer and calligrapher based in Los Angeles, works closely with her international clients to give them the distinctive products they're looking for. In *Modern Calligraphy*, you can learn from this experienced expert how to master this fresh modern lettering style. The first book to teach this bold new style breaks the calligraphy process down into simple steps so anyone can learn to create their own stunning wedding invitations, thank you cards, gift tags, and more. Starting with an overview of the supplies—from paper to ink to pens—you will learn how to form letters, words, and then phrases by following Molly's clear step-by-step instructions, and by practicing with the provided templates. After mastering letter forms using a pointed pen and ink you can take it to the next level by learning how to use watercolor and gouache, or how to digitize your calligraphy. The twenty projects in the book provide lots of inspiration for making your own and are grouped into three sections: weddings, entertainment, and personal stationery. With loads of ideas, practice exercises, and helpful tips, soon you will be turning out gorgeous script calligraphy pieces like the ones featured in wedding magazines and popular websites like Pinterest.

**Spencerian Penmanship Practice Book: The Declaration of Independence May 29 2022** Practice makes perfect! It's no secret that improving your Spencerian penmanship requires practice. Unfortunately, Platt Rogers Spencer published less than 30 Spencerian practice sentences. That's why this helpful workbook offers over 180 pages of all-new phrases and sentences for you to refine your lettering. Across the top of each page is carefully composed Spencerian lettering by penman Schin Loong. Below the sample sentence is line after line of practice space where you can master your letter height, width, spacing, stroke weight and more. The pages are even perforated so it is easy for you to tear them out and practice on a perfectly at surface. But this book contains no ordinary words—they are the immortal phrases from the Declaration of Independence that define freedom and liberty, such as "We hold these truths to be self evident that all men are created equal."

**The Lost Art of Handwriting Oct 10 2020** Revisit the lost art of writing with these fun prompts, worksheets, exercises—and more!—and experience the many benefits of writing by hand, including increased focus and memory, relaxation, and creative expression. Writing by hand may seem *passé* in the digital age, but it shouldn't be dismissed as simply an activity for grade schoolers—it offers countless benefits that have been studied by researchers, brain neurologists, therapists, educators, and others who are invested in helping handwriting thrive in an age of advancing technology. Handwriting may be slower than typing—but this gives your brain more time to process information, and stimulates neurological connections that aid in memory, focus, and composition. The process of handwriting can also have a soothing, calming effect and can even serve as a great form of meditation. And of course, it's a great way of expressing your individuality and personal style. The Lost Art of Handwriting explores the history of writing longhand, and reintroduces proper stroke sequences, letter forms, and techniques for evaluating and improving your handwriting. You will discover how the amazing variety of letter forms provide endless opportunities for making these alphabets your own, and how to choose alternatives that fit your preferences while keeping your writing neat, consistent, and unique to you. You'll learn how to connect letters in cursive writing to help you write more smoothly, and with practice, more efficiently. Learn how easy it is to apply what you've learned into your everyday life with tips for integrating handwriting practice into already jam-packed schedules. Soon, you'll notice a steady increase in the relaxation, value, and joy that handwriting offers to everyone who persists in putting the pen or pencil to paper.
