*Reviving Old Scratch* Jul 22 2019 The devil has fallen on hard times. Surveys say that even the majority of Christians doubt Satan’s existence. Burdened by doubts, skeptical believers find themselves divorced from Jesus’ dramatic confrontation with Satan in the Gospels and from the struggle that galvanized the early church. In *Reviving Old Scratch*, popular blogger and theologian Richard Beck reintroduces the devil to the modern world with a biblical, bold, and urgent vision of spiritual warfare: we must resist the devil by joining the kingdom of God’s subversive campaign to interrupt the world with love. Beck shows how conservative Christians too often overspiritualize the devil and demons, and progressive Christians reduce these forces to social justice issues. By understanding evil as a very real force in the world, we are better able to name it for what it is and thus to combat it as Jesus did. Beck’s own work in a prison Bible study and at a church for recovering addicts convinced him to take Satan more seriously, and they provide compelling illustrations as he challenges the contemporary—and strangely safe—versions of evil forces. The beliefs of liberals and conservatives alike will be tested by Beck’s groundbreaking ideas, fascinating stories, and clear thinking. Because if Jesus took Satan seriously, says Beck, then so should we.

**Esmeralda and the Enchanted Pond** Apr 30 2020 Are the turtles really gnomes? Are the dragonflies fairies? Did the evil king really turn the pond dark brown, or is there a scientific reason for the murky water? Journey down the moss-covered path with Esmeralda and her dad as they visit a mysterious pond looking for most amazing sights! Esmeralda and her dad love to visit their enchanted pond deep within a Florida forest. They see animals busily scurrying to and for, trees and plants growing wild, and pond creatures serenely sunning themselves. While Esmeralda's dad uses his imagination to explain the natural events that take place around the pond, Esmeralda wants more scientific explanations for what happens during each season. Her dad gives Esmeralda the realistic answers the inquisitive girl demands. But, in the end, Esmeralda's pond is enchanted. An illustrated activity guide that conforms to the Sunshine State Standards is also available for Esmeralda and the Enchanted Pond. Containing activities and experiments, this guide is a must for teachers who want to help their students better understand some of the science lessons they will encounter in the book.

**Thinking in Tongues** Dec 27 2019 The past several decades have seen a renaissance in Christian philosophy, led by the work of Alvin Plantinga, Nicholas Wolterstorff, William Alston, Eleonore Stump, and others. In the spirit of Plantinga s famous manifesto, *Advice to Christian Philosophers*, James K. A. Smith here offers not only advice to Pentecostal philosophers but also some Pentecostal advice to Christian philosophers. In this inaugural *Pentecostal Manifestos* volume Smith begins from the conviction that implicit in Pentecostal and charismatic spirituality is a tacit worldview or social imaginary. *Thinking in Tongues* unpacks and articulates the key elements of this Pentecostal worldview and then explores their implications for philosophical reflection on ontology, epistemology, aesthetics, language, science, and philosophy of religion. In each case, Smith demonstrates how the implicit wisdom of Pentecostal spirituality makes unique contributions to current conversations in Christian philosophy. *Sonora Yaqui Language Structures* Sep 23 2019 John Dedrick, who lived and worked among the Yaquis for more than thirty years, shares his extensive knowledge of the language, while Uto-Aztecan specialist Eugene Casad helps put the material in a comparative perspective."--Jacket

**Enchantments of Modernity** May 24 2022 The notion of modernity hinges on a break with the past, such as superstitions, medieval worlds, and hierarchical traditions. It follows that modernity suggests the disenchantment of the world, yet the processes of modernity also create their own enchantments in the mapping and making of the modern world. Straddling a range of disciplines and perspectives, the essays in this edited volume eschew programmatic solutions, focusing instead in new ways on subjects of slavery and memory, global transformations and vernacular and vernacular modernity, imperial imperatives and nationalist knowledge, cosmopolitan politics and liberal democracy, and governmental effects and everyday affects. It is in these ways that the volume attempts to unravel the enchantments of modernity, in order to approach anew modernity's constitutive terms, formative limits, and particular possibilities.

**Enchantments** Dec 19 2021 A NEW YORK TIMES NOTABLE BOOK “Part love story, part history, this novel is a tour de force [told] in language that soars and sears.”—More St. Petersburg, 1917. After Rasputin’s body is pulled from the icy waters of the Neva River, his eighteen-year-old daughter, Masha, is sent to live at the imperial palace with Tsar Nikolay and his family. Desperately hoping that Masha has inherited Rasputin’s healing powers, Tsarina Alexandra asks her to tend to her son, the headstrong prince Alyosha, who suffers from hemophilia. Soon after Masha arrives at the palace, the tsar is forced to abdicate, and the Bolsheviks place the royal family under house arrest. As Russia descends into civil war, Masha and Alyosha find solace in each other’s company. To escape the confinement of the palace, and to distract the prince from the pain she cannot heal, Masha tells him stories—some embellished and others entirely imagined—about Nikolay and Alexandra’s courtship, Rasputin’s exploits, and their wild and wonderful country, now on the brink of an irrevocable transformation. In the worlds of their imagination, the weak become strong, legend becomes fact, and a future that will never come to pass feels close at hand. Praise for *Enchantments* “A sumptuous, atmospheric account of the last days of the Romanovs from the perspective of Rasputin’s daughter, [told] with the sensuous, transporting prose that is Kathryn Harrison’s trademark.”—Jennifer Egan “[A] splendid and surprising book . . . Harrison has given us something enduring.”—The New York Times Book Review “[Harrison delivers] this oft-told moment with shocking freshness. . . . Masha re-invents our ideas of Rasputin, and the world of Nicholas and Alexandra is imbued with a glow whose fierceness is governed by the imminence of its loss.”—Los Angeles Times “A mesmerizing novel.”—O: The Oprah Magazine “Bewitching . . . Harrison sets historic facts like jewels in this intricately fashioned work of exalted empathy and imagination, a literary Fabergé egg. . . . [A] dazzling return to historical fiction.”—Booklist (starred review) Look for special features inside. Join the Random House Reader’s Circle for author chats and more.

**An Enchanted Modern** May 12 2021 Based on two years of ethnographic research in the southern suburbs of Beirut, *An Enchanted Modern* demonstrates that Islam and modernity are not merely compatible, but actually go hand-in-hand. This eloquent ethnographic portrayal of an Islamic community articulates how an alternative modernity, and specifically an enchanted modernity, may be constructed by Shi’I Muslims who consider themselves simultaneously deeply modern, cosmopolitan, and pious. In this depiction of a Shi’I Muslim community in Beirut, Deeb examines the ways that individual and collective expressions and understandings of piety have been debated, contested, and reformulated. Women take center stage in this process, a result of their visibility both within the community, and in relation to Western ideas that link the status of women to modernity. By emphasizing the ways notions of modernity and piety are lived, debated, and shaped by "everyday Islamists," this book underscores the inseparability of piety and politics in the lives of pious Muslims.

**A Journey Through the Enchanted Isles** Jul 02 2020 Guerrero once more tours the readers to exciting vacation spots in the islands. With color photographs. “Amadis Ma. Guerrero has elevated travel writing to an art form.” —Rosalinda L. Orosa, Cultural Critic. “He is one of our best travel writers.” —Dr. Margie Holmes, Philippine Daily Inquirer

**FORTIFYING MAN AGAINST DJINNS AND SATAN AND LAWFULL ENCHANTS FROM THE HOLY CORAN AND THE SUNNA [English-Arabic]** Jan 20 2022

[Re-Enchanting Education and Spiritual Wellbeing](#) Mar 30 2020 Education is in a constant state of renewal internationally where it responds to a number of pressing social, political and cultural issues. Processes of globalization, a number of conflicts and acts of terror, economic and environmental crises have led to large waves of migration and asylum seekers arriving in countries with the hope of finding safer and more stable places to settle. This, in turn, has led to cultural and religious pluralism being a key characteristic of many societies with corresponding issues of belonging and identity. As well, for many people, there has been a shifting influence of and allegiance away from traditional religious frameworks with the emergence of new religious movements, both peaceful and violent, and a rise in popularity of spirituality and non-religious worldviews which provide alternate frameworks for living healthy and ethical lives. In order to prepare today’s student for tomorrow’s world, one which is confronted by a range of risks and crises and which is being shaped by rapidly changing technologies, educators and researchers are investigating new ways of equipping students to deal with these challenges and opportunities, including the nurturing of spiritual wellbeing. This book brings together the voices of many experienced educators to discuss ways to re-enchant education and re-enliven learning programs in response to these 21st century issues in an increasingly global and interconnected world. It examines a range of international contexts, including secular and religious educational settings, and provides an avenue for visionary voices that identify problems and offer solutions to help shape a more promising education system that will prepare children more constructively and beneficially to flourish in their future worlds.

*Anathema* Apr 23 2022 Evangeline has spent her teenage years in obscurity. Her foster parents have the emotional aptitude of robots and her classmates barely acknowledge her existence. About to turn eighteen and feeling like a social pariah, she is desperate to connect with someone. Anyone. When Evangeline meets Sofie after literally stumbling upon her cafe, she believes she's found that connection. Willing to do anything to keep it, she accepts a job as Sofie's assistant and drops everything to fly to Manhattan, where she is thrust into a luxurious world of Prada, diamonds, and limitless cash. With such generosity and kindness, it's easy for Evangeline to dismiss certain oddities . . . like Sofie's erratic and sometimes violent behavior, and the monstrous guard dogs. She's even willing to dismiss her vivid dreams of mob-style murders, beautiful homeless people living in caves, and white-eyed demons that haunt her each night as figments of her imagination-especially when one of those figments is the gorgeous Caden. When she wakes up with bite marks on her neck, the fairy tale quickly turns into a nightmare. She slowly unravels the mystery surrounding Sofie and friends, and the reality of the bites and the "dreams." What she discovers is far more mysterious and terrible than anything she could have imagined. In a world where everyone has motive to lie for personal gain, Evangeline must decide which deception is least likely to get her killed."

*A dictionary of the Hawaiian language, to which is appended an English-Hawaiian vocabulary and a chronological table of remarkable events* Mar 22 2022

**Anomaly** Jan 28 2020 She was merely a pawn in their game. And then something happened. Once the fragile, naive human, Evangeline has become altogether ... different. A being who holds formidable power, she may be the key to changing the course of fate. Or she could be the final nail in the world's coffin. But Evangeline doesn't know exactly what she is, what she can do. She knows only that she has to stop an enemy far worse than the Sentinel and the sorceresses-one driven by revenge. And he's hunting the man she loves. As Evangeline fights to keep Caden alive and the human population from eradication, she can't help but sense the imminent doom. Find out if fate will prevail in the harrowing conclusion to the Causal Enchantment series.

**A Lexicon of the Homeric Dialect** Oct 25 2019 For nearly a century, Richard John Cunliffe's Lexicon of the Homeric Dialect has served as an invaluable resource for students and scholars of Homer's Iliad and Odyssey. As both an English-Homeric dictionary and a concordance, the Lexicon lists and defines in English all instances of Greek words that appear in the two epics. Now, with the inclusion of Cunliffe's "Homeric Proper and Place Names"—a forty-two-page supplement to the Lexicon—this expanded edition will be even more useful to readers of Homer. In his original preface to the supplement, Cunliffe explained that proper and place names had to be excluded from the Lexicon "chiefly on the ground of expense." Although the Lexicon has enjoyed perennial popularity, scholars have long lamented the absence of "capitalized" name-forms in the Lexicon. By consolidating the two works into one handy single-volume format, this expanded edition fills the only gap in Cunliffe's indispensable reference. In his preface to the expanded edition, James H. Dee explains the benefits of uniting the two dictionaries. In addition, Dee provides a brief list of errata and a helpful key to Cunliffe's system of referencing the poems according to Greek letter.
