Staff & Crown Jul 31 2022 Three years have passed since Annabel defeated Mordion in the Royal Castle and became the Queen Heir of New Civet. That's a good thing, since the Castle spat her out three years into the past. Three years of statecraft, politics, and meeting important people are over. Now, before she is officially acknowledged as the Queen Heir, Annabel will face her biggest challenge: Trenthams Finishing School for Young Ladies. To win her Staff and Crown, Annabel had to deal with a deadly foe, a slightly self-aware castle, and a more-than-slightly-potty wizard. Now she will contend with corsets, diets, and sharp-tongued socialites; not to mention the Old Parrasian revolution that seems to be brewing in the bowels of the school itself. In fact, Trenthams might be even more dangerous and cryptic

than the Royal Castle. It's a good thing Annabel has the staff, her cat, and her trusty advisor, Isabella...

Cursed for Keeps Oct 22 2021 He needs a kiss to stay human ... her kisses are poison. Robert, Duke of Pondleigh, already has one curse, so what's another one? Or two? If only these things involved fighting monsters-or even being turned into one-he'd be fine. But attempting to force him into marrying the woman who nearly killed him by cursing him to either gain a lady's kiss each day or become a frog, simply isn't gentlemanly. The fact the princess he's been in love with for years won't even answer his letters, much less see him, doesn't help his chances of freedom. Princess Snow has excellent reasons for going into hiding at the Cottage for Retired Enchanters deep in the New Grimmland forests, reasons like a terrible secret and an overprotective stepmother. When Robert, the duke she thought had forgotten her, shows up as a frog, he seems to think she's his curse breaker, but Snow knows better: her kisses are poison. With wit and clean romance, *Cursed for Keeps* is a mashup retelling of "The Frog Prince" and "Snow White and the Seven Dwarfs." It comes after *Midnight for a Curse* in the *Curse Keeper, Curse Breaker* series, but can be read as a standalone novel.

The Lily of Life May 29 2022 *The Lily of Life: A Fairy Tale* by The Crown Princess of Roumania. First published by Hodder & Stoughton, London; New York, 1913. "Graceful fancy, elevated sentiment, and simple but dignified expression ensure a high place among the fairy tales of the publishing year for the Queen of Roumania's charming work, *The Lily of Life*.... The merit of the telling is unusual, and it has the further advantage of being presented in an exceedingly handsome and artistic form. The coloured illustrations of Miss Helen Stratton show graceful drawing and fine gradations of tone. They are not merely a pictorial summary of the story, but genuine works of art, and a distinctive feature of the volume." -Scotsman

The story is lovely and with the beautiful and brightly coloured illustrations it becomes much more than the parts. The illustrator was inspired to draw deep within herself to add depth and detail to the pleasing offering of a lovely tale.
