A rainbow of journals would look awesome on your bookshelf! Enjoy your writing!

*Mechanics of Soft Materials* Oct 19 2021 This book provides a concise introduction to soft matter modelling, together with an up-to-date review of the continuum mechanical description of soft and biological materials, from the basics to the latest scientific materials. It also includes multi-physics descriptions, such as chemo-, thermo-, and electro-mechanical coupling. The new edition includes a new chapter on fractures as well as numerous corrections, clarifications and new solutions. Based on a graduate course taught for the past few years at Technion, it presents original explanations for a number of standard materials, and features detailed examples to complement all topics discussed.

*Soft-touch Inspirational Journal* Jul 16 2021 Beautifully designed journals become a personal and valued tool for recording spiritual growth, personal goals, needs, and accomplishments.

**Tracing the Roles of Soft Law in Human Rights** Sep 05 2020 Soft law increasingly shapes and impacts the content of international law in multiple ways, from being a first step in a norm-making process to providing detailed rules and technical standards required for the interpretation and the implementation of treaties. This is especially true in the area of human rights. While relatively few human rights treaties have been adopted at the UN level in the last two decades, the number of declarations, resolutions, conclusions, and principles has grown significantly. In some areas, soft law has come to fill a void in the absence of treaty law, exerting a degree of normative force exceeding its non-binding character. In others areas, soft law has become a battleground for interpretative struggles to expand and limit human rights protection in the context of existing regimes. Despite these developments, little attention has been paid to soft law within human rights legal scholarship. Building on a thorough analysis of relevant case studies, this volume systematically explores the roles of soft law in both established and emerging human rights regimes. The book argues that a better understanding of how soft law shapes and affects different branches of international human rights law not only provides a more dynamic picture of the current state of international human rights, but also helps to unsettle and critically question certain political and doctrinal beliefs. Following introductory chapters that lay out the general conceptual framework, the book is divided in two parts. The first part focuses on cases that examine the role of soft law within human rights regimes where there are established hard law standards, its progressive and regressive effects, and the role that different actors play in the incubation process. The second part focuses on the role of soft law in emerging areas of international law where there is no substantial treaty codification of norms. These chapters examine the relationship between soft and hard law, the role of different actors in formulating new soft law, and the potential for eventual codification.

*Simple Pastel Peach Journal* Aug 17 2021 A simple pastel peach journal with 100 lined pages for all your writing notebook needs. A good size to throw into a bag or purse so that you have a simple notebook wherever you go. Perfect and affordable so you can stock up-- or collect all the colours of the rainbow (see the other simple coloured journals by "CreativeJournals"). A rainbow of journals would look awesome on your bookshelf! Enjoy your writing!

**Reading Log** Oct 31 2022 Reading Log / Gifts for Book Lovers. Softback, 8" x 10" [ US\$5.99 / £4.98 / e5.50 ]. IF LOOK INSIDE ISN'T LOADING, the blue smART bookx link by the title will help you out. BOOK INTERIOR: One hundred

attractive and spacious record pages. As well as the main review space, there's space to log: - title, author, publishing details & page count, - start & finish dates, - book format, source & genre/subject, - thoughts & inspirations in an Inspiration Tree, - ratings on plot, character development and ease of reading, as well as an overall review score, and - memorable quotes. At the back you'll find: - a loan record sheet, - a tick list of the top 100 voted fiction books, and - a Notes page for jotting down new authors, books to read, book suppliers and other useful reading resources. At the front, a blank personalized Contents Table gives space for you to add your own categories alongside some of the more common ones. Whether it's short stories, poetry, satire or a few specific authors that float your boat, you'll always be able to quickly find any of your reviews by allocating each to one or more categories as you go along. All pages are of thick white paper (55lb) to minimize ink bleed-through. EXTERIOR: Cover: Tough matte paperback. Binding: Secure professional trade paperback binding, i.e. it's built to last; pages won't fall out after a few months of use. Dimensions: 20.3 x 25.4 cm (8" x 10"). (Almost the same width as A4 but a few cm shorter in height - so no more cramming into tiny boxes!) MATCHING PRODUCTS: smART bookx publish a wide variety of specialist journals (Blank Recipe Books, Password Journals, Trip Planners, Fitness Journals etc. ) To find products matching this one, search "carnival owls" & "bookx" (don't forget the "x"). SIMILAR PRODUCTS: We publish several Reading Logs. Each has the same interior but there are cover designs to suit all tastes. To view them all, search "reading" & "bookx" on Amazon. Thanks for looking, The smART bookx design team Buy With Confidence Because Our Customers Love Our Stationery: \*\*\*\*\* Affordable, But Still Good Quality! ... Very satisfied ... an affordable option that is also very thorough. Many other planners just didn't have all of the sections I needed, or they did and cost too much ... the cover is super cute and kind of soft. (Jun 1, 2016) \*\*\*\*\* Very Nice ... Beautiful. My daughter loved them!!! (August 17, 2014) \*\*\*\*\* Love the Van Gogh Notebook ... Loved it, keep it in my purse incase of creative impulses. (November 8, 2013) \*\*\*\*\* Love This! ... planner is super cute, and I absolutely love the cover. Lots of room to include all kinds of information. (June 13, 2016) \*\*\*\*\* Great for taking theory notes or writing music! ... I'm a music major, & I needed staff paper ... a cute product and the staff paper is great. (Feb 1, 2016) \*\*\*\*\* Amazing Recipe Book ... the third smART bookx recipe book I've purchased. I have it with the Carnival cover & purchased the Polka dots cover to copy recipes for my daughter... Love the index pages ... Easy to find the exact recipe you are looking for since the index shows all the recipe pages numbered. Highly recommended. (Dec 28, 2015) ALL BOOKS ARE MADE IN THE COUNTRY PURCHASED

**Artificial Intelligence and Soft Computing, Part I** Feb 29 2020 The LNAI series reports state-of-the-art results in artificial intelligence research, development, education, at a high level and in both printed and electronic form. Enjoying tight cooperation with the R&D community, with numerous individuals, as well as with prestigious organizations and societies, LNAI has grown into the most comprehensive artificial intelligence research forum available. The scope of LNAI spans the whole range of artificial intelligence and intelligent information processing including interdisciplinary topics in a variety of application fields.

*Losers Notebook* Aug 05 2020

*Anticipatory Systems: Humans Meet Artificial Intelligence* Feb 08 2021

*Africa's Soft Power* Nov 27 2019 This book investigates the ways in which soft power is used by African countries to help drive global influence. Selecting four of the countries most associated with soft power across the continent, this book delves into the currencies of soft power across the region: from South Africa's progressive constitution and expanding multinational corporations, to Nigeria's Nollywood film industry and Technical Aid Corps (TAC) scheme, Kenya's sport diplomacy, fashion and tourism industries, and finally Egypt's Pan-Arabism and its reputation as the cradle of civilisation. The book

asks how soft power is wielded by these countries and what constraints and contradictions they encounter. Understandings of soft power have typically been driven by Western scholars, but throughout this book, Oluwaseun Tella aims to Africanise our understanding of soft power, drawing on prominent African philosophies, including Nigeria's Omolúwàbí, South Africa's Ubuntu, Kenya's Harambee, and Egypt's Pharaonism. This book will be of interest to researchers from across political science, international relations, cultural studies, foreign policy and African Studies. The Open Access version of this book, available at <http://www.taylorfrancis.com/books/e/9781003176022>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license

**Socio-cultural Inspired Metaheuristics** Aug 29 2022 This book presents the latest insights and developments in the field of socio-cultural inspired algorithms. Akin to evolutionary and swarm-based optimization algorithms, socio-cultural algorithms belong to the category of metaheuristics (problem-independent computational methods) and are inspired by natural and social tendencies observed in humans by which they learn from one another through social interactions. This book is an interesting read for engineers, scientists, and students studying/working in the optimization, evolutionary computation, artificial intelligence (AI) and computational intelligence fields.
